**GAMES AND SPORTS FACILITIES**

In BIT, students are being motivated to take part in various indoor and outdoor sports activities. Various competitions are being held at department and college level. Basket ball, Volleyball, Cricket, Chess, Table tennis, and Badminton are favorite games of our students. Our students represent BIM on numerous platforms in various sports activities and win various positions.

### EXTRA-CURRICULAR ACTIVITIES

BIT encourages its students to become actively involved in club activities. The involvement of students in these activities can help them in gaining experience in technology, teamwork, leadership, organization, and so on. The clubs provide an opportunity to the students to apply classroom teaching to the outside world. The clubs organize competitions, events, activities, and offer excellent networking opportunities with fellow students. Following are the names of clubs:

1	Pinnacle	To promote team work and problem solving skills.
2	Fusion	To promote networking, professional development and problem solving skills.
3	Podex	To prepare students for higher studies like MCA and for network industries etc.

### **Co-Curricular Activities**

**WAVES**-Continuing with the tradition of the institute, senior students, and new comers mingle with each other at fresher function 'WAVES'. This is the platform where students can showcase their talent of dance, singing, instruments, anchoring, acting, and fashion.

**IGNITIA** -In order to groom personality of students, BIM gives them enough room to grow intellectually, technically & culturally. During this Fest, various competition shield like moves & rhythms, fashion walk, fine arts, Nukkad Natak, debate, Rjhunt, etc. are organized.

Various technical competitions are held during Ignitia.

**Tech Expo**-Tech Expo is the technical exhibition where the students present their live projects.

For management students, numerous activities on development of entrepreneurial management skills, i.e., Business communication, Personal & Group Dynamics, Team building and problem solving etc. are organized.
