

## Summary

🎉 Workshop Successfully Conducted! 🎉

The Society of Department of Computer Science and Technology APACHE at Buddha Institute of Technology successfully organized an insightful workshop on “**Web Scraping Using Python**” on April 4, 2026 and April 11, 2026.

🕒 Time: 09:10 AM onwards

📍 Venue: Block-2, Computer Lab Room No. 306

The session was conducted by our esteemed guest speaker **Mr. Brijesh Kumar Chaurasia (Trainer / Full Stack Developer)**, who shared valuable knowledge and hands-on experience in web scraping techniques using Python.

The workshop witnessed enthusiastic participation from CSE 2nd Year students, making it an engaging and interactive learning experience.

Special thanks to Faculty Coordinator Mr. Amit Sharma and Student Coordinators Ayush Gupta and Antra Sharma for their dedicated efforts in organizing this successful event.

💡 The session helped students gain practical exposure and enhanced their skills in data extraction and real-world Python applications.

## Workshop on Game Development & Design – Successfully Conducted! 🎮

The Department of Computer Science & Allied at Buddha Institute of Technology successfully organized an engaging workshop on “**Game Development & Design**” for CSE 3<sup>rd</sup> year students of Computer Science & Information Technology.

 **Date:** Monday, 24 March 2026

 **Time:** 12:10 PM onwards

 **Venue:** BIT Seminar Hall, Block-2

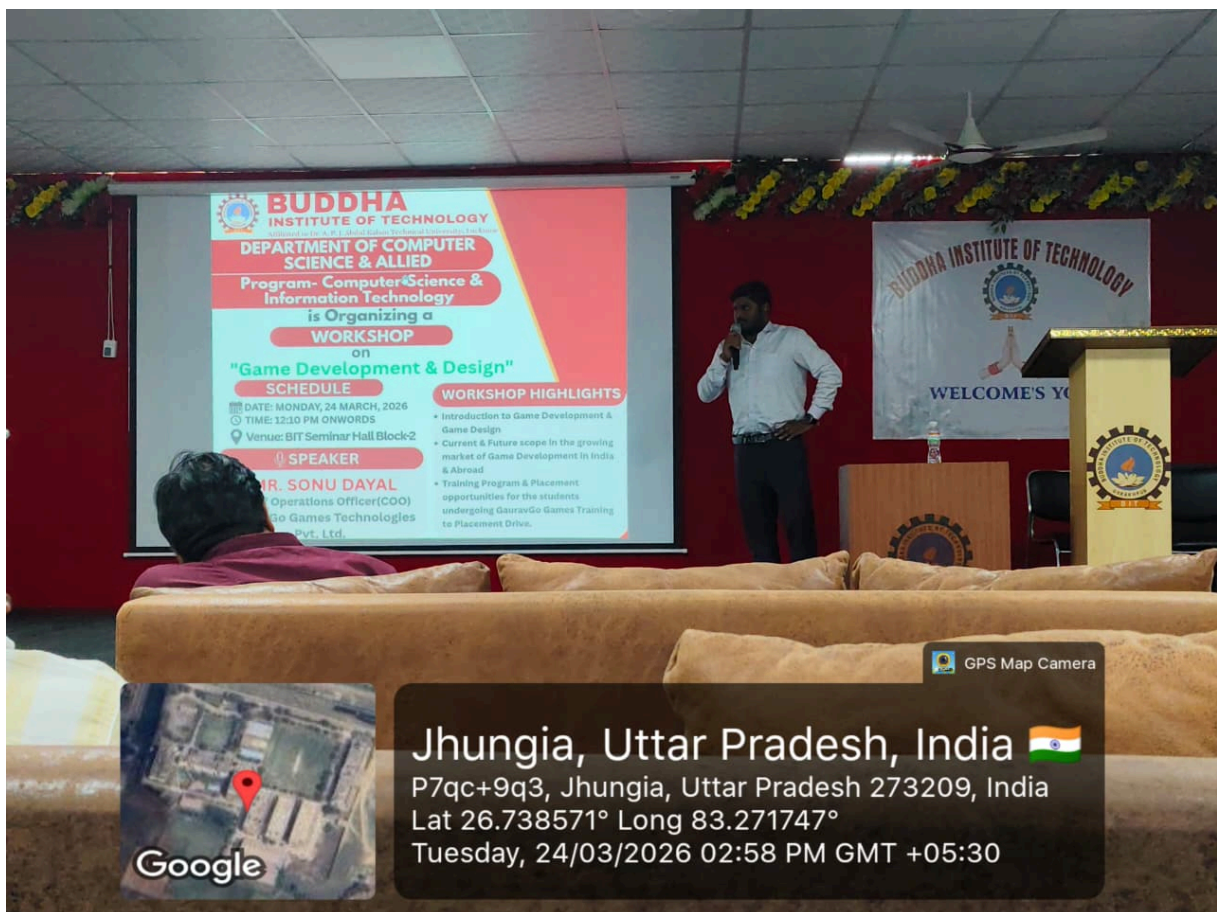

The session was delivered by **Mr. Sonu Dayal**, Chief Operations Officer (COO), GauravGo Games Technologies Pvt. Ltd., who shared valuable insights into the dynamic world of game development.

### 🌟 Workshop Highlights:

- Introduction to Game Development & Game Design
- Discussion on current trends and future scope in India & abroad
- Insights into training programs and placement opportunities in the gaming industry

The workshop provided students with practical knowledge, industry exposure, and career guidance in the rapidly growing field of game development. It was an enriching experience that inspired students to explore innovative paths in technology and creativity.

👏 We extend our heartfelt thanks to the speaker and all participants for making this event a grand success!
