

BUDDHA INSTITUTE OF TECHNOLOGY

DEPARTMENT OF CIVIL ENGINEERING

ACADEMIC YEAR 2025-26

Research & Startup Workshop- Summary

The Department of Civil Engineering, BIT Gorakhpur successfully organized a **Project Orientation Program** on **18th February 2026** for final-year students. Around **55 students** actively participated in the session.

The objective of the program was to guide students regarding the complete process of final-year projects, including project selection, execution methodology, evaluation process, presentations, report preparation, and marking scheme. Students were informed about the different stages of project development, periodic evaluations, presentation schedules, and assessment criteria.

During the session, faculty members introduced their respective domains and research areas so that students could select project topics according to their interests and choose faculty guides accordingly. Students were encouraged to work on innovative, practical, and industry-oriented projects.

The orientation program was conducted in the presence of:

- **Mr. Vijay Kumar Srivastava** – CTOp
- **Mr. Baijnath Nishad** – HOD
- **Mr. Ankur Kumar** – Assistant Professor
- **Mr. Pratish Kannaujiya** – Assistant Professor
- **Mr. Arun Kumar** – Assistant Professor
- **Mr. Rajan Kumar** – Assistant Professor
- **Mr. Rahul Shukla** – Assistant Professor

The session was highly informative and interactive, helping students gain clarity regarding the complete project workflow and evaluation system.
