Institute's Innovation Council
(BIT)
REPORT OF THE EVENT

The Yantra-X society of Mechanical Engineering Department has successfully organized a Guest Lecture on “Recent trends in Mechanical Engineering” on 2nd April 2026.

Objectives:

- The main objective of this lecture is to provide participants with an overview of the latest advancements and emerging technologies in Mechanical Engineering.
- To bridge the gap between academic knowledge and current industrial practices.
- To introduce modern research areas like additive manufacturing, renewable energy systems, and advanced materials.
- To enhance awareness about Industry 4.0 concepts such as automation, robotics, IoT, and smart manufacturing.

Venue: BIT Seminar Hall

Time: 11:15 AM to 1:00 PM

Resource Person:

Dr. Jeeoot Singh (Professor, MMMUT GORAKHPUR)

Number of Participants: 52

Coordinators:

Faculty Coordinators:
Mr. Mohammad Qaiser

Student Coordinators:
Mr. Asutosh Singh (President)
Mr. Alok Singh (Secretary)
