

Skill Development Event Report

The Skill Development event “Mechaverse (Quiz Arena + CAD Challenge)” was successfully conducted on 11th April 2026 (Saturday) by the Yantrax Society of Mechanical Engineering Department, Buddha Institute of Technology.

The event took place across Room No. 201 for the Quiz Arena and Lab 401 for the CAD Challenge.

The program aimed to enhance both theoretical knowledge and practical design skills among students. A total of 53 participants actively took part in the event, showing great enthusiasm and competitive spirit. The Quiz Arena tested students’ conceptual understanding, while the CAD Challenge focused on their technical proficiency and design capabilities.

The event was conducted in the gracious presence of HOD: Mr. Sharique Hayat along with other respected faculty members. It was coordinated under the guidance of Faculty Coordinator: Mr. Rahul Srivastava, with the smooth execution supported by Student Coordinators: Kashish Gupta and Aman Sharma.

Winners of the Event:

1st Position: Jackey Singh (Mechanical 3rd Year) – Cash Prize ₹600/-

2nd Position: Sagar Sharma (Mechanical 3rd Year) – Cash Prize ₹400/-

Overall, the event was well-organized and achieved its objective of promoting skill development and innovation among students.
