REPORT OF THE EVENT

The Mechanical Engineering Department of BIT, GIDA Gorakhpur successfully organized the technical event **I-MECH TECH (TECHNICE)** on **13th October 2025** at the BPC Seminar Hall, Block-1.

A total of **104 students** participated in the event from various years and branches. The event aimed to strengthen the technical skills of students through practical exposure, hands-on problem solving, and competitive activities.

The event was coordinated under the supervision of faculty and student coordinators and concluded with prize distribution to winners based on their performance in the technical activities and competitions.

Faculty Coordinators

- Mr. Rahul Srivastava (ME, AP) – SD Head, BIT
- Mr. Md. Qaiser (ME, Assistant Professor)

Student Coordinators

- Mr. Sagar Sharma (Third Year)
- Ms. Ankita (Third Year)

Winners of the Event

- **First Prize:** Aman Kumar Singh (BIT, ME, 1st Year)
- **Second Prize:** Jackey Singh (BIT, ME, 3rd Year)
- **Third Prize:** Rahul Kumar (BIT, IT, 1st Year)

Key Outcomes

- Strengthened core mechanical concepts through practical exposure
- Improved teamwork, innovation, and presentation skills

The event concluded successfully with full support from faculty members, coordinators, and enthusiastic participation from students. The **I-MECH TECH (TECHNICE)** event contributed significantly to enhancing technical confidence and industry preparedness among BIT mechanical engineering students.

Faculty Coordinators:

Mr. Rahul Srivastava

Student Coordinators:

Mr. Sagar Sharma
