SD EDA Summary

Data Science and Machine Learning Club

Date: 15/04/2023

Faculty: Sunit Kumar Jaiswal & Manish Kumar Gupta

Topic: Polynomial Linear Regression and Classification Algorithm

No. of Students:10

Event Description:

This Event checks the coding ability of participants. The Course is based on Machine Learning and Data Science which tests the understanding of technology and logical ability.

Winners (If any):NA

1st:

2nd:

3rd:
