ACADEMIC YEAR 2025-26 (Even Semester)

SD Competition Event Summary

Department of Computer Science & Allied

Program: AIML-DS

Date: 04 April 2026

Total Participants: 81 Students

The *Code Wizards*, organized by the Department of Computer Science & Allied(AIML/DS), was successfully held on 4 April 2026 with the participation of 81 students. The event focused on enhancing students' programming, analytical thinking, and problem-solving skills through structured coding challenges based on algorithms and logical reasoning. Participants competed individually under time constraints, demonstrating technical proficiency and efficiency

Event Highlight and Outcome

The competition featured problems of varying difficulty levels, categorized into beginner, intermediate, and advanced.

- ❖ **Languages:** Participants could code in multiple languages like Python, Java, C++, etc.
- ❖ **Skill Development:** The event successfully enhanced students' problem-solving and coding skills.
- ❖ **Confidence Building:** The competition provided students with an excellent platform to showcase their technical knowledge and creativity.

Event Outcomes:

- ❖ Improved coding proficiency and problem-solving abilities among participants
- ❖ Enhanced understanding of algorithms and data structures
- ❖ Development of time management and analytical skills
- ❖ Identification and recognition of top-performing students
