and Strategies for Success”**

**(18<sup>th</sup> Feb 2026)**

## **REPORT OF THE EVENT**

The Department of Computer Science & Information Technologu has successfully organized a Guest Lecture on ““Expectations og Leading IT Companies in Placements and Strategies for Success”” on 18th Feb 2026.

### **Objectives:**

The primary objective of this session is to familiarize students with the current expectations of leading IT companies during campus placements and to equip them with effective strategies to succeed in the recruitment process. The session aims to:

- Provide insights into the key skills—technical, analytical, and soft skills—required by top IT recruiters.
- Create awareness about industry trends, hiring patterns, and evolving job roles in the IT sector.
- Guide students on how to prepare for aptitude tests, technical interviews, and HR rounds.
- Highlight the importance of problem-solving ability, coding proficiency, communication skills, and teamwork.
- Offer practical strategies for resume building, portfolio development, and personal branding.
- Encourage students to adopt a structured preparation plan and continuous learning mindset to enhance employability.

**Venue:** BIT Seminar Hall

**Time:** 11:50 AM to 1:45 PM

**Resource Person:**
